Pizza's are about 10" in size. Cooked in Kiawe Wood Burning

Outrigger Pizza Co has been warming the hearts and bellies of many customers, and friends over the years. Serving thin crust pizza to perfection.

Outrigger Pizza uses a Kiawe wood burning brick oven that was built by the company. The mold was made internationally by innovative Pizza craftsmanship. In 2016 Outrigger Pizza Company was featured on Diners Drive-Ins and Dives with such great support from the crew and family. We were featured again in March 2021.

Keep enjoying our homemade pizza's made with love!
